

WEBSITE SETUP VIP INTENSIVE

Get it done in a day

1

BOOK YOUR VIP DAY

Pick a day when you're available virtually for input and feedback while I work.

Allow for at least 3 weeks between the time of booking and the VIP Day, so you can complete the prep work.

A 50% non-refundable deposit is required to book.

After booking, you'll be invited to schedule your 1-hour power session.

2

DEEP DIVE POWER HOUR

The power-hour session ignites the whole process, so book it early.

We'll review where you are now and where you want to be after the project. We'll also go over the content and timeline of the Intensive.

After this session you'll receive workbooks tailored for you, which you'll complete before the VIP Day kicks off.

3

DO THE PREP WORK

I'll guide you as you make website related decisions, collect graphics & copy, etc.

I'll provide instructions, a planner, templates, recipes, and worksheets to make the prep-work easy.

You can book two 30-minute clarity sessions for extra support with this work.

You'll have at least 10 days to complete the prep-work.

4

YOUR VIP DAY

Your VIP Day kicks off a few days before the big day with a Kickoff Session to make sure everything is in place.

On the big day, I'll work on your site and communicate with you via email & Voxer. You'll be available for questions, input, & feedback.

By the end of the day, you'll have a final draft of your site ready for final review.

5

POST VIP DAY SUPPORT

The day after your VIP Day, we'll have one last session for final refinements and touch ups.

I'll provide a written summary and a video walk-through of the work we did.

You'll have 30 days of email support for questions related to the VIP Intensive.

If you find you have more work to get done, book another day or half day.

This is a Done-with-You service package combining guided self-work to plan and write your website and a VIP day to take your content and create a professional WordPress website for your business.
